

Graced with diversity

Our vice-province numbers thirty-six Sisters divided up into nine communities. Our communities are situated mainly in the Far-North region of Cameroon: four in the Maroua-Mokolo diocese and two in the Yagoua diocese. We also are in the North region, two communities in the Garoua archdiocese and one in the Batouri diocese in the East region.

Our communities are international, intergenerational, and intercultural. Graced with such diversity, each one of us tries to be “a living stone” in the building of the House of Charity: *“Together they formed a House of Charity”*. RL 1.

We want to witness to our joy in the following of Christ chaste, poor and obedient, to our happiness of living together *“to love and serve”*, to the fraternal love we draw from the Trinitarian love.

Our involvement in mission is often expressed through simple human gestures, apparently without significance. *“As you did it to one of the least of these my brethren, you did it to me”*. Mt 25:40. RL 10.4

We pay special attention to the underprivileged, especially in the education, health and social sectors.
