Promotion of young women at Touloum, Koza, Maroua, Kaélé, Mbang.

Formation and information of young women- with little or no schooling- about their duties and their rights, together with training courses in hygiene, healthcare, domestic science: sowing, embroidery, the making of improved ovens for cooking and the making of filters out of local materials to get drinkable water ... A formation which enables the young women to free themselves from the yoke of customs no longer adequate, help them assume their responsibility and come to realize their full potentials.

School: Doukoula, Touroua, Mbang.

Here the children's education is a priority.

Healthcare : Doukoula, Touroua, Mbang.

"The first Daughters of the Holy Spirit chose to live together to serve the poor, the sick and the children". RL 1.
Today, we choose to pursue that same mission with others in our vice-province of Cameroon.
